SENSORY DESCRIPTION OF WINE

Frankovka has a raspberry-pink shade. The aroma is dominated by fruity notes of wild strawberries and raspberries. The taste is fruity, pleasantly light.

FOOD RECOMMENDATION

young cow cheese, vegetable salad

SERVING TEMPERATURE

10-12°C

MATURING POTENTIAL

2-3 years

VINIFICATION

The hand-harvested grapes were destemmed and macerated for 12 hours to extract colour. After maceration, the grapes were pressed, and the resulting juice underwent fermentation at low temperatures in a stainless steel container. Following fermentation, the wine underwent two rounds of bottling. Subsequently, it was filtered and bottled for final distribution.
