## SENSORY DESCRIPTION OF WINE

The wine has an intense golden yellow colour. You will feel notes of acacia honey and garden fruit in your nose. The wine is moderately full-bodied and finely salty-mineral. It perfectly reflects its location on the terraces and the delicate botrztic character of the 2022 collection.

## FOOD RECOMMENDATION

Pasta with creamy sauce, Viennese schnitzel with sour potato salad

## SERVING TEMPERATURE

11-13°C

## MATURING POTENTIAL

6-8 years

## VINIFICATION

Hand-picked grapes were harvested from the terraced vineyard at Perešské. Half of the grapes underwent destemming, while the other half remained as whole bunches, gently affected by noble botrytis. The clarified must was fermented in a combination of stainless steel tanks and new 225L acacia barrels. Following fermentation in stainless steel, the wine was transferred to a large acacia barrel with oak fronts for bottling. It matured on fine lees for 12 months, acquiring complexity and depth during this period.
